

Small Group Questions for March 26, 2017

Series: E38. Understanding Gods story, their story and your story.

1 Sam. 16: 1-11

Opening Questions: As a group try to think of songs that have the word 'heart' in the title. Small group challenge: Can any group get above 20 songs?

1. Discuss the following concept: God did not choose David to be his king because of his appearance. What qualified David to be chosen as God's king of Israel and what can we learn from this?
2. What cultural challenges are there for us being people who focus on our hearts before God.
3. Unpack the statement, 'God uses people who have a heart like his heart.' What does this look like practically? How do we see this in the life of David? What could it look like in our lives?
4. Pastor Paul Said, "God builds integrity into our hearts through our work environments." Have you seen this to be true? If so, how?
5. Pastor Paul said that God is working in you to shape and transform you're your heart. How is this encouraging, and how is this still a mystery?
6. What can we practically do to join with God in the transformation of our hearts?

How can you pray for each other?
